

Alaska
MOTOR YACHTS
54 SEDAN CRUISER

SPECIFICATION AND STANDARD EQUIPMENT

L.O.A	16.7m / 55'
HULL LENGTH	16.45m / 54'
BEAM	4.9m / 16'9"
DRAFT	1.14m / 3'9"
WEIGHT	26000kg / 57300lbs
FUEL CAPACITY	4000Lit / 880 Gal
WATER CAPACITY	1200Lit / 263 Gal
MARINE ENGINE	CUMMINS QSC540HP x2 CUMMINS QSC600HP x2

CONSTRUCTION:

HULL: Hand lamination fibreglass hull using fibreglass chopped strand mat woven roving and high strength solid fibreglass stringers designed to meet or exceed A.B.S. specification.
Hull sanded in preparation for antifouling

DECK: Hand lamination fibreglass sandwich construction overlaid with 1/2" solid skin dried teak bedded in epoxy.

BULKHEADS: All structural bulkheads of one inch foam sandwich cored panels spaced with "divinycell" PVC rigid form and bonded to the hull with 4plys of 18oz mat.

THE DECK TO HULL JOINT: Hull and deck are fitted and sealed with sika 252/292 compounds through bolted with s/s bolts at 9" centres, and glassed over with woven roving.

SURVEY: Hull including all materials and processes are built to the European Survey standard – RINA and has CE approval.

MAIN DECK

1. Teak deck in cockpit
2. Front cabin top and side decks non-skid GRP
3. S/s plough anchor 60lb with 75m of 10mm chain
4. Chain locker hatch x 2
5. Small FRP rope locker
6. FRP Anchor platform with pulpit

7. MUIR HR 3500 electrical anchor 12v windlass with foot operated windlass control switch at bow and remote panel switches
8. S/s handrails (dia. 1 1/2") and stanchions (dia. 1 1/4")
9. S/s rail gates, port, starboard at transom
10. S/s handrails (dia. 1/4") on the forward cabin top (x2)
11. Hatches on the forward cabin top (x 2)
12. S/s opening hatch with sliding sun visor and mosquito screen (Ocean Air)
13. FRP swimming platform top cover with solid teak, sliding type stainless steel swimming ladder recessed under platform ,s/s rail with provision for BBQ and bait board with two rod holders
14. H/C transom shower mounted in rear seat side
15. S/s hawse pipes with cleats at bow (x2)
16. S/s recessed hawse pipes with cleats at mid-ship & aft (x 4)
17. S/s flagpole holders bow & stern with flagpoles
18. Separate deck fillers and breathers for fuel and water tanks on port & starboard sided deck passageways
19. Holding tank pump-out deck fitting on port side deck passageway
20. S/s Engine room air inlet and extractor vents
21. Engine room access via aft deck
22. Shore power plug fitting (Clipsal) 2 x 15 amp
23. Rear cockpit with stainless steel lined ice box & drainage
24. FRP settee in stern deck with insulated S/s lined icebox, shore power, deck shower , water inlet in side lockers & cushion in sunbrella or equivalent fabric
25. Removable high low cockpit table
26. Cockpit stereo speakers (Waterproof)

MECHANICAL

1. Underwater through-hull main engine exhaust system with relief bypass through transom
2. Engines overheat and low oil pressure alarm system
3. Engine raw water intake sea-strainers
4. Dripless PPS shaft seals
5. S/s propeller shafts 2 1/2 "Dia.
6. S/s V-struts with rubber bearings
7. Four blades NI- AL-bronze propellers
8. S/s rudders and stocks in fibreglass tubes
9. Capilano - Hydraulic steering system
10. Engine room insulation on deck heads, sides, fwd bulkhead
11. Hand operated emergency bilge pump (x1) from helm
12. FRP non-skid engine room floor
13. S/s fuel tanks with removable inspection ports & sight gauges
14. RACOR - Fuel/water separating filters
15. Bow thruster Sidepower (SP95T0) and stern thruster (SP55T) with control panel
16. Triple Marine Air reverse cycle air conditioners: 2x12,000 BTU (Accommodation) & 1x24,000 BTU

(Saloon)

17. Bennet hydraulic trim tabs with indicator control panel.

HELM STATION & INSTRUMENTS

1. Timber console w/ trimmed engine panel & nav panels
2. S/S steering wheel with wooden rim
3. Extra large helm seat
4. Sliding Stainless steel door on starboard side
5. Bow and Stern thruster controls (SIDE-POWER)
6. Hydraulic Steering (Capilano)
7. Rudder angle indicator (VDO)
8. Anchor winch on/off main disconnect switch
9. Electric Horn
10. Electronic engine controls
11. Bennet trim tabs indicator control
12. Onan Generator controls
13. Inverter controls
14. Compass with light (Southern Hemisphere)(Ritchie FN203)
15. Cummins - Engine "Smartcraft" instrumentation panels with tachometer, voltmeter, oil pressure and water temperature gauges, engine start / stop buttons
16. Fuel and water tank level indicators
17. Holding tank level indicators
18. Bilge pump control panel
19. Navigation lights
20. Raytheon TRIDATA ST-60 (log. Depth & speed)
21. Engine room bilge alarm (High water alarm)
22. Fire protector panel

WATER SYSTEM

1. S/s fresh water tanks x2 1200 Lt. (Gal 263) 12V pressure pump (Jabsco 31765-0092)
2. Sea water (Jabsco 31700-0392) and fresh water wash down at bow & cockpit (Jabsco 31911-004)
3. Hot Water heater 70Lit. Capacity
4. Sump pumps in holding tanks under sole for grey and black water
5. Cockpit shore water inlet with pressure regulation
6. Macerator pump & pump out fittings on black water tank

ELECTRICAL SYSTEM

1. Onan Generator 12.5Kw/50Hz with sound shield and aqualift muffler and air water separator exiting through the transom
2. Sealed batteries with fibreglass house boxes: 2x200A for services, 2x200A for engine start, 1x120A for generator, 1x150A for windlass
3. Victron energy battery charger / inverter

Australasian Marine Imports Pty Ltd reserves the right to change the above standard features and inclusions without notice. Some publications may illustrate inclusions that are optional extras that are not listed on this specification sheet.

Australasian Marine Imports Pty Ltd ABN 20 083 056 893 – BOX 1, 76-84 WATERWAY DRIVE, COOMERA QLD 4209 – Phone (07) 5573 1311 Fax (07) 5502 9141 Mobile 0408 758 887

4. VSR battery voltage sensor relays
5. RCD & MEM protection
6. 240V outlets throughout
7. GFI outlets in head and galley
8. BEP Switchboards 240V AC and 12V DC electrical control panels with circuit breakers
9. BEP battery safety switches & management panel
10. 240V AC electrical wiring and outlets in saloon, galley, master stateroom, guest room and heads
11. 12V DC electrical wiring and outlets on saloon, galley, vanity room and stateroom
12. Copper bonding to zinc anodes
13. RULE 14A Main bilge pump in engine room & auto AFT E/R bilge pump
14. 12V submersible bilge pumps w/ auto float switches (x3)
15. Engine room lighting 12V and 240V
16. Engine room blowers x 2
17. MUIR HR 3500 electrical 12V windlass with foot operated windlass control switch at bow, chain counter control on dash
18. Interior 12v lighting with recessed flush mount lights with wiring and switches
19. International navigation lights
20. International anchor light
21. Remote Control searchlight / floodlight (Guest)
22. Windshield wipers with fresh water washers (x3)
23. Electrical horn (x1)
24. Cockpit 220V shore power inlet (Clipsal) 2 x 15 amp
25. Pre-wiring TV cable from mast top to the salon and cabins
26. Foot lighting as requested

MASTER STATEROOM (2 cabin layout)

1. Queen-size island bed with 5" latex mattress, storage under & drawers on the front
2. Hanging wardrobe, port side
3. S/Steel opening portholes with mosquito screens
4. S/steel opening hatch with sliding sun visor & mosquito screen (Ocean Air)
5. Teak & holly flooring
6. Reading lights
7. Overhead lights
8. Vinyl panelled ceiling
9. Mirror

SALOON / GALLEY

1. Teak and holly floor
2. S/s opening hatch with sliding sun visor/mosquito screen
3. Stainless Steel bi-fold rear doors
4. L-shape settee
5. Teak Hi-Lo table port side
6. CD stereo & radio receiver

7. Flat screen TV/DVD (12V-240V PAL)
8. Galley with cabinets and solid counter tops
9. Microwave oven
10. "Nova cool" refrigerator with freezer (SF7501)
11. S/s sink with single lever H/C water faucet
12. U-Line ice maker & fridge combo (29BTP)
13. Hot plate x 4 flush mounted
14. Alaska crockery package
15. Vinyl panelled ceiling
16. Overhead lights
17. Overhead teak handrail
18. Timber blinds
19. Colour matched curtains with top and bottom tracks
20. Internal carpets overlaid with rubber underlay.
21. High gloss timber finish with burl trim
22. Salon sole hatches / engine room access
23. Two electrical outlets – galley
24. 2 x AC electrical outlets – Salon
25. 5" face clock & barometer in Chrome

VIP STATEROOM (Fwd cabin for 2 or 3 cabin layout)

1. Queen-size island berth with 5" latex mattress, storage under and drawers at front
2. Hanging wardrobe port & starboard side
3. S/s opening portholes with mosquito screens
4. S/s opening hatch with sliding sun visor and mosquito screen (Ocean Air)
5. Teak & holly flooring
6. Reading lights & overhead lights
7. Vinyl panelled ceiling
8. Mirror
9. TV Ariel/power run to fwd bulkhead
10. CD/Stereo power & aerial and speakers

SPARE BERTH (2 Cabin layout)

1. Single berth with 5" latex mattress, storage under and drawers below
2. S/s opening porthole with mosquito screens
3. Reading lights & overhead lights
4. Vinyl panelled ceiling

MASTER STATEROOM CABIN (Amidships)

1. Queen-size island berth with 5" latex mattress, storage under and drawers at side
2. Hanging wardrobe starboard side
3. Cabinet with drawers beside the berth
4. S/s opening portholes with mosquito screens
5. S/s opening hatch with sliding sun visor and mosquito screen
6. Teak & holly flooring
7. Reading lights & overhead lights
8. Vinyl panelled ceiling
9. Feature timber panels behind bed and over side lockers

10. CD/Stereo, radio receiver with deck head speakers
11. Mirror

GUEST TWIN SINGLE CABIN (3 cabin layout)

1. Two single berth with 5" latex mattress, storage under and drawers at side
2. Full height hanging locker stbd side
3. Cabinet with drawers between the berths
4. S/s opening portholes with mosquito screens
5. Teak & holly flooring
6. Reading lights
7. Overhead lights
8. Vinyl panelled ceiling

HEAD, VANITY AND SHOWER ROOM x 2

1. Corian shower stall and aluminium/stainless steel folding shower door with latch
2. Vacu-Flush toilets & blackwater system
3. Vanity unit, solid counter top with wash basin and single lever H/C tap
4. Mirror
5. S/s opening Porthole with mosquito screen
6. 12v waterproof light
7. Storage cupboard
8. 1x outlet 240V
9. Extraction fan
10. Towel rail and roll holder
11. Teak & holly floor
